

## How to enter scores, yellow & red cards

**Step 1:** You can go to GotSoccer.com on your desktop/laptop or you can go to GotSoccer.com on your mobile device.

**Step 2:** Click on “Scoring Input (desktop) or “Event Scoring” on your mobile device.

**Step 3:** Enter the event ID# and pin# (this can be found on the game card you downloaded (see the PDF/Video for how to download a game card if you do not have it already).

**Step 4:** Enter the game number (also found on the game card).

**Step 5:** Click on the score of either the home or away team, then enter the scores into the boxes and hit save.

**Step 6:** If there was a yellow/red card you can click on the “0” for red or yellow card (for home or away team), then choose the player from the drop down list, and reason they were assigned the card.
