REPORT WRITING

This classroom presentation will provide insight on ensuring that reports are written clearly and concisely to ensure that serious incidents such as dismissals, abandonments, and alleged referee assaults can be dealt with efficiently and based on the correct information.

The session is directed at all referees from the recreational level through to District League and beyond!

We strongly encourage all TSA based referees to attend as this will show commitment to self-improvement- an important element of refereeing in our District.

Attendance is FREE- ALL referees are welcome, and there is no need to -pre-register.
