Tactical Fouls & What is DOGSO?

This session will be a classroom presentation on how to identify and sanction tactical fouls, including denying an obvious goal scoring opportunity.

The session is directed at all referees from the recreational level through to District League and beyond! Justin is a highly experienced match official who will provide fantastic insight on these areas of officiating.

We strongly encourage all TSA based referees to attend as this will show commitment to self-improvement- an important element of refereeing in our District.

Attendance is FREE- ALL referees are welcome and encouraged to attend.

No need to sign up, just show up and sign in on the day!
