

TSA partners with Total Football Analysis Magazine

The Toronto Soccer Association is committed to support the education of coaches through many avenues- formal coach education courses, free coach education events, bursary support, competitions and now.....through FREE access to the most comprehensive Soccer tactics magazine around!

We are pleased to announce a partnership with [Total Football Analysis magazine](#) which means that the Head Coach of every team that registers for either of our 2020 Outdoor Leagues (YDSL or TDYSL) will automatically receive a FREE 3 month subscription to the Total Football Analysis Bitesize magazine.

Simply make sure that your name and email address are clearly visible on the League Registration form and then watch your inbox for details on how to access your FREE subscription!

We hope that our coaches enjoy this opportunity to expand their knowledge of the tactical side of “The Beautiful Game”.
