Power Soccer was formed in 1996 with the objective of providing players and coaches with quality development programs. We are a full-time soccer training organisation, conducting year round player development programs. We strive to build player enjoyment and confidence in the game through challenging and enjoyable training sessions conducted by qualified coaches. Power FC, established in 2005, is our competitive Academy team program. Power FC was a founding member of the (Soccer Academy Alliance of Canada (SAAC)).
