

TSA brings back Referee Registration Fee Rebate for 2022!

Good afternoon everyone

As you will know, the TSA introduced a Referee Registration fee rebate of \$50.00 in 2021 which was extremely well received within the referee community in the city of Toronto. Well, I am very pleased to confirm that this rebate is being continued in 2022!!

This rebate is available to any match official who officiates a minimum of 25 games assigned to them by the TSA this outdoor. This includes U8 Festivals, YDSL, TDYSL, IModel Qualifying and WDSL!

To make sure you are eligible for this rebate, you should follow the steps outlined below:

1. Register as a 2022 Match Official NOW and pay the fee required.
