March 6, 2020

To: GTISL Management
From: Alan Gould, Executive Director.

Good afternoon,

Following discussions with Ontario Soccer, we would ask that you immediately communicate the following mandatory directive to the teams in the GTISL.

Effective immediately and until further notice, handshakes/ fist bumps/ high fives should NOT take place between teams, with match officials or spectators, before or after any game.

Please respond to confirm that this information has been communicated to all participating teams today and is implemented in time for games this weekend.

Yours sincerely,

Alan Gould
Executive Director.
