

ROYAL YORK FOOTBALL CLUB

SOCCER TRAINING AND DEVELOPMENT CLUB

LEAD TECHNICAL COACHES:

Royal York Football Club pyramid of play starts with our technical grassroots programs that lead into our academy and rep soccer streams. All our technical coaches work right through the grassroots and academy/rep programs.

The primary responsibility of our lead technical coaches is technical player development, advancement through RYFC pyramid of play, mentoring and retention of all players in our grassroots and competitive academy/rep programs.

Lead Technical coaches are responsible for leading the following:

- Planning & delivering training sessions for all technical programs in accordance with the Club training curriculum and training model
- Technically develop grassroots players to the best of their ability
- Technically develop academy/rep players and build technically strong competitive teams
- Provide player feedback for both grassroots and academy/rep players
- Coach academy/rep games in both head coach and assistant coach capacity
- Facilitate tryouts
- Evening and weekend work expected
- Part time position, salary based on experience and licensing.
- Salary range: \$30-\$65 per hour

Qualifications:

- Minimum Canada Soccer "C" License
- Thorough understanding of the Long Term Player Development
- Clear vulnerable sector police check
- Must have a valid driver licence and a regular access to a vehicle
- Passion for youth soccer player development
